# **Updated Border Measures in response to COVID-19**

September, 2022

The following updates will be applied from 0:00AM on October 11, 2022 (JST).

# 1. Review on restrictions on new entry of foreign nationals into Japan

<u>Prescribed applications in the Entrants, Returnees Follow-up System (ERFS)</u> completed by the receiving organizations located in Japan are <u>no longer required</u> for new entry of foreign nationals into Japan. At the same time, foreign nationals enter into Japan for a short-term stay for tourism are <u>no longer limited under package tours.</u>

# 2. Resumption of the Visa Exemption Arrangements

The Visa Exemption Arrangements are resumed.

#### 3. Review on requirements of on-arrival COVID-19 tests

Except for returnees and entrants with symptoms of suspected COVID-19 infection, <u>on-arrival test is no longer required</u>. However, all returnees and entrants are required to show <u>either a valid COVID-19 vaccination certificate of three doses</u> of vaccines prescribed on the Emergency Use List of World Health Organization (WHO), or <u>a certificate of negative test result of pre-departure</u> COVID-19 test conducted within 72 hours prior to departure from the original country/region.

### 4. No daily limit of the total number of entrants into Japan

The daily limit of the total number of entrants into Japan, which is currently about 50,000, is to be lifted.

## 5. Resumption of the international flights/shipping at airports/ports in Japan

Regarding airports/ports that currently suspend international flights/shipping (including cruises), preparation toward resumption of international flights/shipping in response to upcoming flight/shipping plans will be conducted on a port-by-port basis, in cooperation with local governments, etc. <u>The international flights/shipping at those airports/ports will be resumed from those airports/ports whose preparations are completed.</u>
